Review This is a thorough and much-needed study of the history of the fashion press from its beginning to the present day, with a focus on France, the UK and North America. Covering the shift from print to digital media, it will be useful to students and scholars alike and adds to the growing literature on this important topic. -- Francesca Granata, Parsons School of Design, The New School, USA Taking us on a journey of discovery through the history of fashion journalism from the eighteenth century to the present day, this beautifully illustrated book is an most welcome addition to the subject. -- Sanda Miller, Southampton Solent University, UK. Read more About the Author Kate Nelson Best is an Associate Lecturer at Southampton Solent University, UK. She has also worked as a freelance journalist for publications such as The Guardian and Tatler. Read more
